WE, the YOUTH OF KENYA, have united under (one) voice, JIACTIVATE, to express our concerns, OUR DEVELOPMENT PRIORITIES AND TO ACT AS KEY STAKEHOLDERS IN SOLVING ISSUES WHICH DIRECTLY AFFECT US.

WE are DIVERSE but of EQUAL value, dignity and rights and should be accorded equal opportunity, regardless of AGE, BELIEFS, ETHNICITY and MENTAL capacities, socioeconomic background AND GENDER.

WE call for PUBLIC, PRIVATE AND RELIGIOUS SECTORS to RESPOND to our voice, needs and concerns and act accordingly in our best interests at all times.

We must BE REPRESENTED and accorded equal opportunity to PARTICIPATE at all levels of policy making and - COLLABORATE - with policy makers in the political, educational, social and economic development of Kenya.

We as youth will act with INTEGRITY and call for systems that are not compromised by corruption and demand that those involved be held accountable.

We must be accorded equal OPPORTUNITY and access to QUALITY EDUCATION, TRAINING, RESOURCES and SERVICES.

WE must be enabled access to all QUALITY AND AFFORDABLE healthcare information and services

WE must be accorded fair access to EMPLOYMENT OPPORTUNITIES and self enterprise in ANY sector we choose.

WE must be RECOGNISED and PROTECTED everywhere and at all times and shall not be subjected to arbitrary arrest, detention or excessive force.

WE, the youth, recognise our role in actively bringing about social change, & we ask that Governmental, Non-Governmental, Civil Society, Agencies, Individuals and Groups implement our propositions to EMPOWER Kenyan youth. JIACTIVATE!
